

COVID-19 UPDATE

Like everyone else, here at The Storage Barn, we are concerned about the health and safety of our customers, future customers and our staff. During this time it is important that we practice simple, preventative measures as recommended by our public health officials. In addition we are practicing social distancing and sanitizing our office to the best of our ability.

Our Epping location is not too affected at this time because our rentals are handled online, over the phone or at the Kiosk anyway. As long as every one remains healthy we will continue to have staff available answering phones Monday – Friday 9am to 5pm and Saturday 9am to 2pm out of our Dover office.

New rentals can be made in the following ways.

Online Portal at www.thestoragebarn.com. You can rent a unit or may a payment online 24 hours a day. If you need assistance with this please feel free to call or email us and our staff can help.

Onsite Kiosk - Megan our It is our 24 hour rental and payment center located at the entrance of our facility. Megan can rent a unit, take a payment and sell locks. The kiosk does accept cash and credit cards. Please note, if you make a cash payment the kiosk does not dispense change so if you do not have the exact change, the overage will be applied to next rental period.

Call our Office Our staff is available Mon-Friday 9am and 5pm and Saturday 9am to 2pm to assist with whatever you may need.

If you would like to view some storage units before renting it to determine what size would be best for you, please feel free to email or call our office and we will provide units that you can take a look at.

We thank you in advance for your understanding and cooperation at this difficult time. Your business is so important to us, as a local small business we know we will all feel the pain of the next couple of months, but we have no doubt we will all come out on the other side.
